

# MONARCH MANIA POLLINATOR PLANT PACK

## 32 Native Plants for \$100

Plant packs consist of 32 potted plants. Grown from wild harvested Native Prairie Seed in our greenhouse. Monarch Mania is designed for plantings up to 80 square feet. Our pack utilizes Swamp Milkweed which will grow in all but the driest environments, doesn't spread like other Milkweeds and is a host plant for Monarchs. Ask us about our plant Guarantee – We keep you blooming.
