

RAIN GARDEN AND DRY PRAIRIE KITS

32 Native Plants for \$100

Plant packs consist of 32 potted plants. Grown from wild harvested Native Prairie Seed in our greenhouse. Our rainwater garden and Dry Prairie Packages are designed for plantings up to 80 square feet. Our packs utilize the best plants to attract and feed declining pollinator populations. Help the bees and butterflies by planting prairie today. Ask us about our plant Guarantee – We keep you blooming.
